RULES + RESPONSIBILITIES

1. **NO LITTERING. DO NOT EVER** drop trash anywhere other than in a trash bag, at an aid station. Besides just not being cool, If trash is seen on the trail, we could lose our permits!
2. **HYDRATION.** You **MUST** bring a cup/hydration pack/bottle to carry water/hydration between aid stations. This is non-negotiable. There will be random gear checks.
3. **BE NICE, BE KIND, OR BE CUT.** Be nice to each other, be nice to the volunteers, be nice to other trail users - or be disqualified. KHRaces does not tolerate abuse of any kind, to anyone.
4. **BE ON TIME.** We cannot allow runners to start the race late. Please arrive with enough time to get your bib, get settled and get to the start line on time. This is for your safety, and is required by our permit.
5. **BE CLEAN.** Volunteers will use tongs to hand out snacks, etc. Runners must open & close their own packs/handhelds and volunteers will fill with whatever liquids you need.
6. **BE AWARE.** If you must wear headphones, keep the volume low & be aware of guidance from aid station volunteers, other runners & trail users. If you can't hear us, it's too loud.
7. **POLES.** We are OK with poles, just be cautious of other trail users/runners, especially on single track sections.
8. **MAPS.** The course will be very well marked with orange ribbon/flagging and signage at critical turns, but all runners are responsible for familiarizing themselves with the course map.
