- TONS of sweet and salty snacks, PB&J's, potatoes & fresh fruit
 - GU gels, GU roctane salt pills, GU roctane electrolyte, and Fluid Electrolyte
 - If it's hot we'll have ice at aid stations
-

FINISH LINE & POST-RACE INFO

BRING A CHAIR AND HANG OUT! We will have post-race food and lots of snacks. We are trying to reduce our footprint, so we will not have single-use plastic water bottles. Please bring a reusable container to fill. It will be a great day to cheer on runners!

RULES + RESPONSIBILITIES

1. **NO LITTERING. DO NOT EVER** drop trash anywhere other than in a trash bag, at an aid station. Besides just not being cool, if trash is seen on the trail, we could lose our permits!
2. **WE ARE CUP-LESS.** Please bring a reusable cup/hydration pack/bottle. Find them at your local running store (like Fleet Feet Agoura Hills), REI, [Amazon](#), etc.
3. **BE NICE, BE KIND, OR BE CUT.** Be nice to each other, to the volunteers, and to other trail users - or be disqualified. *This includes your crew.* KHRaces does not tolerate abuse of any kind.
4. **BE ON TIME.** We cannot allow runners to start the race late. Please arrive with enough time to get your bib, get settled and get to the start line on time.
5. **BE CLEAN.** Volunteers will use tongs to hand out snacks, etc. Runners must open & close their own packs/handhelds and volunteers will fill with whatever liquids you need.
6. **BE AWARE.** *If you must listen to music*, the volume should be low, you must be aware of other runners/trail users, and you must turn it off to listen to instructions from volunteers and race staff.
7. **CREWS, PACERS, SPECTATORS.** 100k runners may have crew/pacer at the 100k Turnaround - Bulldog aid station only (mile 47.5). **Absolutely no crews or pacers for the 50 mile runners.**
NO SPECTATORS ALLOWED ANYWHERE OTHER THAN START/FINISH LINE!
8. **DROP BAGS.** Drop bags should have your bib number displayed on the outside. Bib numbers will be assigned race week. We will have duct tape/sharpies for you to label on race morning, but labeling before can help you be efficient on race morning. One drop bag per unique aid station location (i.e. only one drop bag required for Kanan #1 and Kanan #2, etc.) Please no glass or extra large/heavy bags/boxes/coolers. Drop bags must be securely closed for transport. **DO NOT PUT VALUABLES IN YOUR DROP BAGS (including car keys)!**
9. **POLES.** We are OK with poles, except for the first 2 miles until the creek crossing. Elsewhere, please just be mindful of other runners and trail users.
10. **HAVE FUN!**
