DROP BAGS: Drop bags should have your bib number prominently displayed on the outside. We will have duct tape & sharpies so you can label on race morning, but you can do this once bib numbers are assigned during race week. You can have (1) drop bag per aid station location (2 total + the finish line). No big coolers, glass or extra large bags/boxes. Drop bags will be transported to/from the location by race staff/volunteers. They should securely close for transport. ***DO NOT INCLUDE ANY VALUABLES, INCLUDING YOUR CAR KEYS!***

PACERS: Your pacer can park in the Sycamore Canyon Campground Day Use area (Google Map Link). They will need to pay the day use fee or be a registered camper, and walk 1/4 mile through the campground to the Sycamore Aid Station located at the trailhead at the end of the campground. Cars cannot be left overnight unless they are registered overnight campers. Alternatively, they can park at the Ray Miller Trailhead near the finish line and pay the Day Use Fee, or along Pacific Coast Highway and take the trail 5 miles to the aid station.

FINISH LINE & POST-RACE INFO

BRING A CHAIR AND HANG OUT! We will have post-race food and snacks. We are trying to reduce our footprint, so please bring your own cup/handheld/pack/reusable water bottle.

RULES + RESPONSIBILITIES

1. **NO LITTERING. DO NOT EVER** drop trash anywhere other than in a trash bag, at an aid station. Besides just not being cool, If trash is seen on the trail, we could lose our permits!

2. **HYDRATION.** You **MUST** bring a cup/hydration pack/bottle to carry water/hydration between aid stations. This is non-negotiable.

3. **BE NICE, BE KIND, OR BE CUT.** Be nice to each other, be nice to the volunteers, be nice to other trail users - or be disqualified. KHRaces does not tolerate abuse of any kind, to anyone.

4. **BE ON TIME.** We can't allow runners to start late. Arrive with enough time to get your bib, get settled and get to the start line on time. This is for your safety, and is required by our permit.

5. **BE CLEAN.** Volunteers will use tongs to hand out snacks, etc. Runners must open & close their own packs/handhelds and volunteers will fill with whatever liquids you need.

6. **BE AWARE.** If you must wear headphones, keep the volume low & be aware of guidance from aid station volunteers, other runners & trail users. If you can't hear us, it's too loud.

7. **POLES.** We are OK with poles, just be cautious of other trail users/runners, especially on single track sections.

8. **MAPS.** The course will be very well marked with orange ribbon/flagging and signage at critical turns, but all runners are responsible for familiarizing themselves with the course map.

9. **HAVE FUN!**

LODGING INFO
